Janice K. Chezick
GIS Supervisor

The plat for Kingsbury Hills Second contains a roadway designated as Castlevue Street N.W., which is a continuation of Castlevue Drive N.W., located in Kingsbury Hills Fourth. The Addressing/GIS Staff of the Rochester-Olmsted Planning Department would recommend that this short segment of Castlevue Street N.W. be changed to match the existing roadway name of Castlevue Drive N.W.

There are two lots that abut this segment of Castlevue Street N.W.; Lot 12, Block 1 and Lot 1, Block 2 located within Kingsbury Hills Second. No re-addressing will need to occur because both of these lots are currently addressed as King Arthur Drive N.W.

A new roadway sign of Castlevue Drive N.W. will need to be installed at the intersection of this segment of roadway and King Arthur Drive N.W.

Rochester Code of Ordinances, Chapter 31.32, covers recommendations of street identification changes.
Rochester Code of Ordinances, Chapter 75.01, covers street name changes.
